U.S. Census Bureau
Office of the Director
Washington, DC 20233-0001

**A Message from the Acting Director
of the U.S. Census Bureau and the Director of the National Center for Science and Engineering Statistics**

We request your cooperation with the **2021 Annual Business Survey** conducted by the U.S. Census Bureau and the National Center for Science and Engineering Statistics (NCSES), within the National Science Foundation (NSF). This national survey collects annual data on the characteristics of U.S. businesses and owners as well as research and development, innovation and technology. Results of the data collected on this survey will be used to create comprehensive estimates of the demographic and economic characteristics of U.S. businesses and their owners. Information from your business is critical to providing reliable data for your type of business and geographic location. Accurate data will help leaders in the public and private sectors make better decisions to strengthen your business community.

OMB Number

This collection has been approved by the Office of Management and Budget (OMB). The eight-digit OMB approval number is 0607-1004 and appears in the top right corner of each reporting screen. Without this approval, we could not conduct this survey.

Authority and Confidentiality

Title 13, United States Code, Sections 8(b), 131, and 182; Title 42, United States Code, Section 1861-76 (National Science Foundation Act of 1950, as amended); and Section 505 within the America COMPETES Reauthorization Act of 2010, authorize this collection. Sections 224 and 225 of Title 13 require your response. The U.S. Census Bureau is required by Section 9 of Title 13 to keep your information confidential and use your responses only to produce statistics. The Census Bureau is not permitted to publicly release your responses in a way that could identify your business, organization, or institution. Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit data.

Burden Estimate Statement

We estimate the Annual Business Survey will take an average of 52 minutes to complete. Factors such as company size, complexity and activity will affect your actual time to complete the survey. This estimate includes the time to review instructions, search existing data sources, gather and maintain the data needed, and complete and review the survey.
